The Partners Project

*A professional resource
library for teachers and
parents*

Union Local Elementary School
"Read, Learn, Grow"

The Partners Project

The Partners Project uses a resource library to empower teachers and parents to work collaboratively with current professional resources to help themselves increase the academic achievement of students.

The Partners Project promotes strong instructional leadership through continuous learning by providing the most current literature to teachers in order to meet the needs of students and their parents.

Some titles include.....

Strengthening and Enriching Your Professional Learning Community: The Art of Learning Together

Collaborative Analysis of Student Work: Improving Teaching and Learning

How to Give Effective Feedback to Your Students
