<b>Reusable water bottle</b> -This supply is optional but strongly encouraged. Your child will have access to this in the classroom rather than having to wait for group restroom breaks to visit the fountains. Water bottles will go back and forth daily. You are responsible for keeping this clean and labeling it with your child's name and making sure your child can open and reseal it independently-NO GLASS! Also, it must ONLY CONTAIN CLEAR WATER!	1	<input type="checkbox"/>
<b>OPTIONAL: USB mouse to use with Chromebook</b> -We use our Chromebooks frequently, and they have a track pad. Most children learn how to use the track pad very quickly, but some prefer using a mouse. This can be wired or wireless, as long as it is USB.	1	<input type="checkbox"/>
