November 29-December 20

6th Grade

From the 6th Grade Team

This is going to be a quite busy but exciting few weeks. Let's work hard and do our best.

You will have important assignments due before Christmas break, but we will round up with a fun Holiday Week and a few reindeer games.

Principal's Message

As we head into the Holiday break and we count down the days, please remember that there is still work to be done. Stay engaged and stay on task throughout the school day. The holidays will come soon enough. I want to encourage you all to continue to do your best. We have many fun things planned as we close our 2023, and I want you all to be able to participate. Keep working hard and, as always, do the next right thing.

Have a happy Holidays and a Happy New Year.
-Mr. Rateno
