

In addition to the art supplies that will be provided this year for your child, we are asking that you please provide the following for your child if they are planning to take Art at the high school level. This is to keep the children as safe as possible with less sharing of items while they are present in the classroom. **The class fee will still be required per class as the materials that they will use this year are costly.**

Thank you in advance for your support and efforts to keep your child and others safe!
