

Union Local Elementary Kindergarten
“Blizzard Bag” Assignment

You will choose assignments today to take the place of a school day missed because of the weather. Please be sure to read the directions carefully. If you are unable to access assignments at home, please send a note to let us know and a paper copy will be given upon returning to school. You do not necessarily need to print this. Feel free to view this on any device. Some choices will not even require a pencil or paperwork! You can use the same menu to complete Blizzard Bag days 1-3. Most of the activities can be done more than once.

Directions for completion: You need to choose only one assignment from each subject area to complete on each Blizzard Bag day. A “full day” will be 4 total assignments, one from each subject area (math, science, social studies, and language arts).

We hope you have some fun doing these activities at home with your families. If you have any questions, feel free to email your teacher.
