Linking your children to your account

Once you have created an account, you will need to link your child/children to your account. From the Dashboard Homepage click on **My Account** .
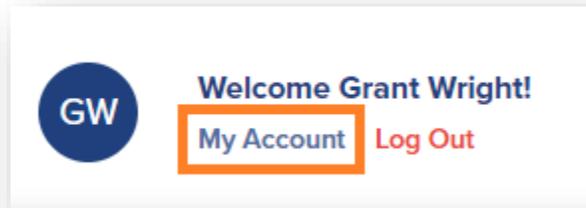

From the account screen, select **Add Student.**
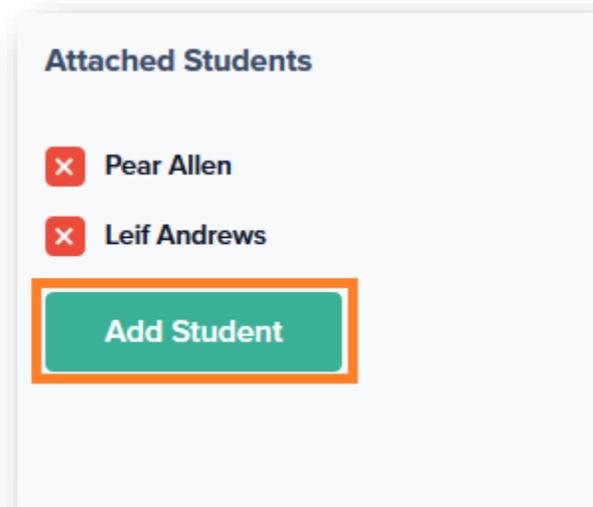

Once there you can use **Option #1: Use an Invitation Code**. Type in the code and click on **Attach.**

Option #1: Use An Invitation Code

If you have a district-provided student invitation code, please type it below and your student will be linked to your account for access.

Code

Attach

If you do not have an Invitation code, try **Option #2 Provide Student Details**. You will use the student's last name, grade level, date of birth and **student number** to fulfill the requirements of this option.

Option #2: Provide Student Details

If you do not have an invitation code, please provide us with the following information about your student. If a valid match is found your student will be linked to your account.

Last Name

Grade Level

**

Date of Birth

Student Number (I don't have this)

Attach

If you have not been provided with an **invitation code** or a **student number**, please contact your student's school district for additional assistance.
