

**Union Local SEM Lab School Contract**  
2022-2023 School Year

- Except as arranged or exempted by UL administrative and/or guidance staff, SEM Lab School students are required to attend daily. Students and parents must meet with Lab School staff, must establish the student’s choice for any traditional school classes the student would like to take, and must agree to and sign this contract.

- In order to meet the State’s attendance requirements, all students are required to work a minimum of 26 hours per week on their digital coursework and attend school daily. These hours will be a combination of in-school and at-home work hours. Failure to meet the required attendance hours/coursework hours may result in the dismissal from the SEM Lab School.
- In conjunction with digital coursework, students will be required to complete one or more problem/project-based activities which will be averaged with the student’s end-of-course grades, as set forth on the student’s Individual Learning Path. The student and Lab School teachers/staff will discuss and negotiate end-of- course projects/activities, and those projects/activities will be outlined on the student’s Individual Learning Path. As needed and requested, students will receive support and guidance from the Lab School staff with project completion. In addition, students will be required to complete additional writing assignments and additional academic activities as determined by individual teachers.
- Students must demonstrate appropriate progress in each digital course and earn a passing grade of 70% or higher on lessons, quizzes, and tests and must complete the course in its entirety in order to receive credit for that course.
- Failure to maintain an overall passing grade of 70% and failure to adhere to the terms of this contract may result in dismissal from the SEM Lab School, and the student must return to the traditional school.
