Education and Support Groups

- Girls Circle structured support group for girls from 9-18 years that integrates relational theory, resiliency practices, and skills training in a specific format designed to increase positive connection, personal and collective strengths, and competence in girls.
- Children of Substance Abusing Parents education and support for youth whose parents abuse substances.
- Children of Divorce Program education and support for youth whose parents are divorced or going through a divorce.
- Boys Circle structured support group similar to Girls Circle. It helps to increase school engagement, protective factors and decrease risk factors associated with violence, substance abuse and interpersonal skills.
- SSGRIN social skills intervention program for youth that increases peer acceptance, self-esteem and self-efficacy, reduced social anxiety and depressive symptoms.
- Coping and Support Training for High School youth to increase school attendance, problem-solving skills, coping skills and reduces substance use.
- Others as needed

Student Support Programs

Helping students deal with non-academic barriers to learning. Students in need receive short-term, problem focused help with issues or situations that interfere with their learning and academic success. Students who are in need of more intensive interventions or treatment are referred to school-based mental health therapist or community agency for further assistance and help

Please call Student Services at (740) 676-4815 ext 8 if you have any questions regarding any of our programs.
