## Union Local Disadvantaged Pupil Aid and Student Wellness and Success Fund Initiative Plan

In compliance with Ohio law, the Union Local School District has developed a comprehensive plan to utilize the Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds. This initiative aims to enhance the well-being and educational success of our students by addressing critical areas of need. This document outlines the specific allocations and services that these funds will support.

### Plan Overview

The Union Local School District has allocated the funds to the following services and items:

#### 1. Employment of a Secondary School Nurse and an Elementary School Nurse

- **Purpose:** To ensure that all students have access to immediate and ongoing health care services within the school environment.
- **Impact:** Improved health outcomes, reduced absenteeism, and enhanced student learning and safety.

#### 2. Services for Mental and Emotional Health Support for Students

- **Purpose:** To provide comprehensive mental and emotional health support services, including counseling and crisis intervention, for students in need.
- **Impact:** Improved student mental health, increased resilience, and better academic performance.

#### 3. Supplies for Social Awareness Curriculum for the Success for All Program

- **Purpose:** To provide necessary supplies and materials for implementing a social awareness curriculum aimed at promoting emotional intelligence, empathy, and social skills among students.
- **Impact:** Enhanced social and emotional learning, improved student relationships, and a positive school climate.

The Union Local School District is committed to utilizing the Disadvantaged Pupil Impact Aid and Student Wellness and Success Funds to create a supportive and nurturing environment for all students. By focusing on health services, mental and emotional support, and social awareness, we aim to foster the overall well-being and academic success of our students.
